Dear Blues Supporter,

We're pleased to finally be able to release Season Tickets ahead of a 12 team Championship and new Premiership Cup campaign in 2023/24.

While the future of the wider game hangs in uncertainty and Championship funding remains at an all-time low, we are proud to be the best supported club in the second tier with increasing average attendances and competing in the top four.

We look forward to another derby next season as we welcome Cambridge as one of 11 league games, plus three Cup matches and an appetising friendly against Northampton Saints as part of our 15 home game package.

Last season Mike Rayer's men were in superb form, playing a continued exciting and entertaining brand of rugby to finish fourth in the table. Next season is set to be no different with a host of exciting signings made!

Included in this year's membership will be entry to all home Blues Women's games as they move permanently to Goldington Road.

Season Tickets continue to represent fantastic value with huge savings on matchday prices and brilliant additional benefits. Our members are the lifeblood of this club and one of the many reasons why we are the envy of many.

Please purchase early to secure the discounted rates and make sure you join the family!
